Iberis Evergreen Candytuft

sempervirens

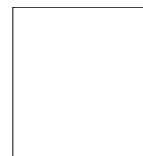

Snowflake

6" evergreen spreader covered with white flowers in spring.

White

Bloom: May June

Size 6" tall by 18" wide

Iris Iris

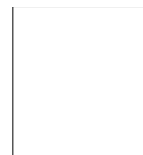

cristata

Lavender

Bloom: May June

Size 4-9" tall by 18" wide

Pretty miniature Iris. A woodland ground cover, but not dense. Best interplanted with other wildflowers.

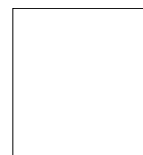

ensata

Variagata

blue

Bloom: July

Size 36 tall by 24 wide

germanica

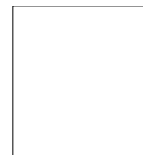

Before the Storm

One of the Blackest Iris. Slightly fragrant.

Black

Bloom: June July

Size 36" tall by 24" wide

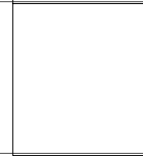

Chasing Rainbows

Apricot carmal color with a violet beard. Good contrast between colors.

Apricot

Bloom: June

Size 35" tall by 24" wide

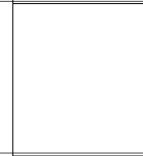

Clear Morning Sky

Early mid season with light blue standards and dark blue falls, purple beards

Light blue

Bloom: June July

Size 40" tall by 24" wide

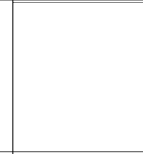

Gnus Flash

Dark grape color with cream falls with a fuzzy golden beard.

Purple

Bloom: June

Size 36" tall by 24" wide

sibirica

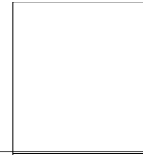

Butter and Sugar

Excellent landscape value. Graceful, upright foliage, beautiful flowers. For the garden or bog. Leave undisturbed for years.

Yellow and

Bloom: June

Size 28 tall by 30 wide

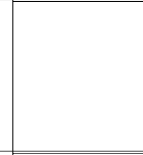

Cesar's Brother

Medium-sized beardless flowers of rich deep blue in June. Easy to grow.

Dark Pansy

Bloom: June

Size 30 tall by 30 wide

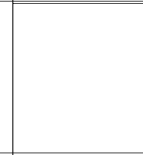

Silver edge

Excellent in moist and wet spots

Sky blue silver edge

Bloom: May June

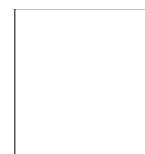

Size 36" tall by 24" wide

versicolor

Needs wet area.

Medium Blu
 Bloom: June
 Size 24" tall by 12-24" wide

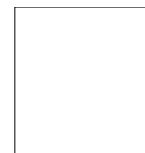

Kalimeris False Aster

integrifolia

Beauty

A lovely perennial with single white flowers late summer and into fall. Essentially a single flowered form of *K. pinnatifida*. *Kalimeris* is a great addition to any garden.

Bloom: August September
 Size tall by wide

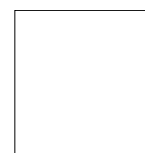

Kirengeshoma Yellow Waxbells

palmata

Creamy Yel
 Bloom: September
 Size 36" tall by 24" wide

Does best in partially shady sites, where soil is moisture retentive and high in organic matter.

x superbum syn leucanthemum

Alaska

White with yellow center

Bloom: June July

Size 24-36" tall by 24" wide

An old favorite that performs very well.

x.

Becky

White w. yellow centers

Bloom:

Size 36" tall by 24" wide

Long lived, with large flowers and crisp (yes, really good looking) dark green foliage. Perhaps the best Shasta daisy.

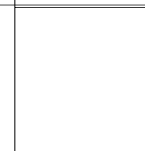

Crazy Daisy

White fully double

Bloom: June July August

Size 24" tall by 36" wide

Snowcap

Single White

Bloom: May June July August Sept

Size 14-18" tall by 12" wide

New from Blooms of Bressingham. Compact, single, large white shasta daisy. Long bloom period with nice foliage.

Lewisia Bitterroot

Sunset

Carmine

Bloom: June July August

Size 6" tall by 6" wide

Colors range from white to carmine. foliage is evergreen and it finds its home in rock crevasses. A real cute perennial.

longipetala

Little Plum

pink, salmon tinged

Bloom: May June

Size 12" tall by 12s" wide

Liatris Spike Gayfeather

spicata

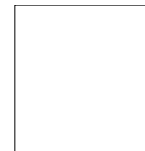

Kobold

Lavender Pink

Bloom: July August

Size 29" tall by 12" wide

Narrow spikes open from the top down. Does best in constantly moist, light, well-drained soils. July Bloom. Sun to light shade. Good cut flower.

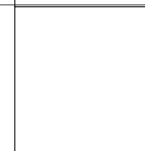

Z-scape

Pink

Bloom: June July

Size 24" tall by 24" wide

Purple to pink spikes with thread like foliage. Nice vertical accent.

Ligularia

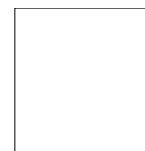

Osiris Fantaisie

yellow

Bloom: July August

Size 24" tall by 24" wide

Arrowhead shaped leaves with serrated edges. Golden yellow flowers on burgundy stems. A very full habit

dentata

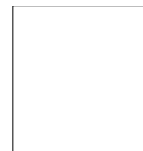

Britt-Marie Crawford

Yellow

Bloom: August September

Size 3-4' tall by 4' wide

Dark chocolate colored leaves with orange-yellow daisy like flowers.

stenocephala

The Rocket

Lemon Yellow

Bloom: July August September

Size 36" tall by 36" wide

Superb 12-18" long yellow flowers spikes held over bold dark foliage. Dislikes afternoon sun.

Linnaea Twin Flower

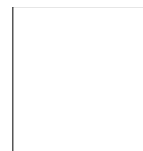

borealis

Pink or white

Bloom: June July

Size 3-4" tall by 12" wide

Dainty crawling vine with small scalloped leaves on long trailing stems. Once established, very carefree in humusy soil and partial shade. Flowers are fragrant and nodding above reclining stems. A New England native. Blooms June to July.

Lobelia Cardinal Flower

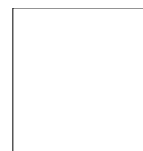

cardinalis

Bright Sca

Bloom: August

Size 24-36" tall by 18" wide

Stalks bear red flower spikes in late summer. Long blooming. Adaptable to most sites, even loves to be wet.

fulgens

Queen Victoria

Blood Red

Bloom: June July August

Size 36 tall by 24 wide

3' mahogany-red stems and foliage bearing blood red flowers all summer.

siphilitica

spikes of clear blue

Bloom: June July August

Size 30-36" tall by wide

30-36" spikes of clear blue. Blooms all summer.

Lupinus Lupine

dwarf hybrids

Gallery Mix

Mixed

Bloom: June

Size 18" tall by 12" wide

The yellow pea-like spikes of these lupines are dramatic, showy and dignified all at the same time. These classic perennials like rich soil and cool summers. The crisp palmate foliage is handsome even without the flowers, yet whole festivals are arranged around lupines in bloom and it is easy to see why!

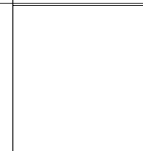

Gallery Pink

Crown Rose

Rose

Bloom: August September

Size 24" tall by 18" wide

A native of the S.E. United States and member of the mint family. Retains decorative seed pods. Late blooming though first year from seed. Flowers into November.

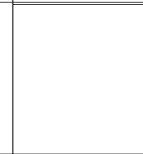

Snow Crown

White

Bloom: July August Septemb

Size 30-36" tall by 24" wide

A native of the S.E. United States and member of the mint family. Retains decorative seed pods. Late blooming though first year from seed. Flowers into November.

Podophyllum Mayapple

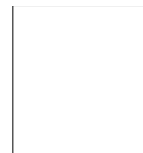

hexandrum

Pinkish white

Bloom: May June

Size 8-20" tall by 18" wide

Chinese Mayapple has doubly lobed leaves and flowers that face upwards it then gets large red fruit.

Polemonium Jacob's ladder

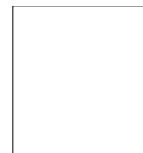

Blue pearl

Blue

Bloom: May

Size 10" tall by 12" wide

Clump form. Blue flowers in May. Non staking form.

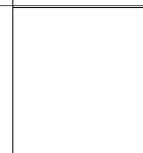

Touch of Class

purple

Bloom: May June

Size 18" tall by 24" wide

Great plant with variegation and a silvery appearance. Silvery blue flowers in spring

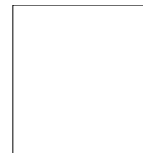

caeruleum

White Pearl

White

Bloom:

Size tall by wide

reptans

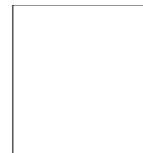

Stairway to Heaven

soft blue

Bloom: May June July

Size 16-20" tall by 24" wide

This was new to SLF in 2004. It has blue-gray leaves with an eggshell white boarder that is often flushed with pink. This was introduced by Bill Cullina at the New England Wildflower Society, and a portion of each sale will go to them.

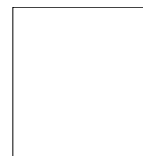

Polygonatum Solomon's Seal

commutatum

Greenish White
 Bloom: May June
 Size 60-84" tall by 60" wide

Impressive 5-7' native with large leaves on unbranched stems and hanging bell flowers in spring. Colonies spread quickly--not for average border--but wonderful at the edge of a moist woodland to provide a transition. Tolerates deep shade.

Polygonatum Kiss me over the garden gate

orientale

Bloom:
 Size tall by wide

Pendulous flower spikes make fabulous cuts. This plant has large, heart-shaped leaves and long, drooping spikes of rosy blooms that arch gracefully on stately, tall plants. The flowers add a singular quality to bouquets and will make your arrangements stand out.

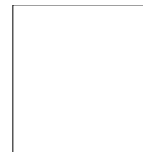

Primula Drumstick Primrose

denticulata

Lilac, Whi
 Bloom: april May
 Size 12 tall by 12-15 wide

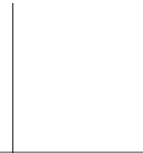

Single flowers on a very hardy plant.

japonica

Red Tones
 Bloom: May June
 Size 20 tall by 12-15 wide

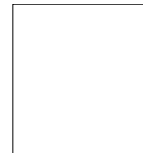

The best of the candelabra-type primroses, this one also does best in constantly moist soils.

vialii

pink
 Bloom: April May
 Size 20" tall by 12" wide

Conical spikes of funneled violet purple flowers with long green soft hairy foliage.

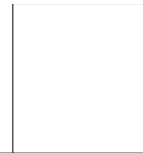

Pulmonaria Lungwort

Samurai

blue
 Bloom: April May
 Size tall by wide

Intensely silver leaves that are more pronounced dark green edges. Blue-pink flowers in spring.

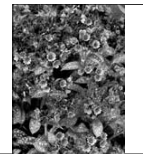

hybrids

Gaelic Magic

Pink to blue
 Bloom:
 Size 12-14" tall by 12" wide

Large, uniquely-colored blooms, a compact habit, and vigorous growth and resistance to mildew, wilt, and even deer - Gaelic varieties are perfect companions for Hosta and other shade garden specialists.

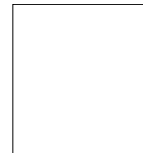

Pulsatilla Pasque Flower

vulgaris

Lavender
 Bloom: april May
 Size 8-10 tall by 12 wide

Large lavender bells facing up on 8-10" stems. April- May.

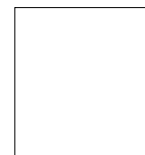

Rubra

lg red bells

Bloom: April May

Size 8-10" tall by wide

Showy seed heads

Ratibida Yellow Coneflower

Gold w/ gr

Bloom: July August

Size 48" tall by 30" wide

Tall prairie wildflower resembling a gold echinacea. Does well in any soil, moist or very dry and we've heard it eats clay for breakfast. Very striking.

Rudbeckia

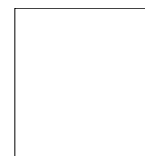

Viette's Little Suzy

yellow

Bloom: July August September

Size 18-24" tall by 24" wide

Dwarf form deep yellow flowers mid-summer and fall

fulgida

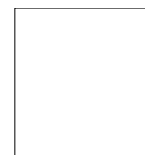

Early Bird Gold

Yellow

Bloom: June July August Septemb

Size 24" tall by 24" wide

Blooms earlier and stays blooming longer than 'Goldsturn'.

Goldsturn

Golden Yellow

Bloom: July August Septemb

Size 24-36" tall by 24" wide

1999 perennial plant of the year. Long blooming bushy 'Black-eyed-Susan.' All summer 40-48".

hirta

Rustic Colors

bright golden yellow to mahogany

Bloom: August September

Size 24-30" tall by 18" wide

Multi-colored blooms perfect for charming country bouquets. 3-5" flowers in bright golden-yellow to mahogany, and bicolors. Low cluster of woolly green foliage. Heat and drought tolerant.

hirta Burpeeii

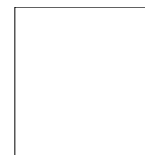

Indian Summer

Golden Yellow w/dark eyes

Bloom: July August September

Size 42" tall by 26" wide

AAS Winner. Cut Flower of the Year - 2000 - voted by the Assoc. Specialty Cut Flower Growers. Large blooms, disease and insect resistant. Single and semi-double blooms. Midsummer through frost. Strong upright and branching plant habit. Good cutflower.

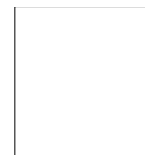

hirta tetraploid

Mix

Bloom: July August September

Size tall by wide

May not be a hardy perennial in our part of NH. Mix of bronzes, golds, russet.

nitida

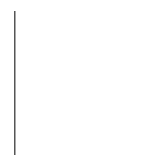

Herbstsonne

Golden Yel

Bloom: July August Septemb

Size 60 tall by 36 wide

5' stalks covered with large single, golden yellow daisies. Blooms all summer. Needs no staking.

x

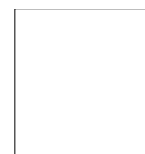

Becky Mix

Golden yellow w/dark eye

Bloom:

Size tall by wide

Compact variety grown from seed.

Sagina Pearlwort

subulata

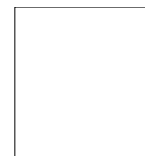

Irish Moss

White

Bloom: July August

Size 1-2" tall by 6" wide

Moss-like evergreen plant for a rock garden or between walkway blocks. Can be used like thyme in shady areas. Takes some foot traffic.

salvia salvia

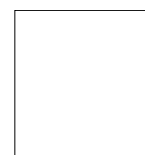

Rhapsody in Blue

Blue

Bloom: June July August Septemb

Size 24" tall by 24" wide

Flowers abound! The flowers are two-toned blue over gray-green foliage.

nemerosa

Blue Hill

Blue

Bloom:

Size 18-24" tall by 18" wide

First of the nemerosa types to have a true dark blue blossom, no purple tinge at all. Very heavy bud count and long bloom time.

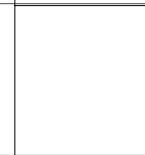

Carradonna

Glowing Purple

Lemon Queen

Yellow

Bloom: May June

Size 24" tall by 24" wide

24" double lemon-yellow flowers in May-June.

Verbascum Mullein

x

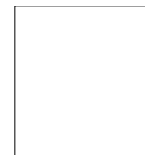

Southern Charm

Blend of Lavender, peach, and yellow

Bloom: June July August

Size 24-30" tall by 30" wide

Unique blend of colors, stately spire, good for full sun and drier spots

Vernonia Iron Weed

lettermanii

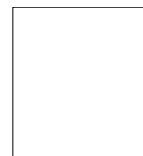

Iron Butterfly

purple

Bloom: August September

Size 30" tall by 36" wide

A Fantastic Allan Armitage plant with fine textured feathery leaves covered with purple flowers late in the summer. Butterflies feast on them.

Veronia Ironweed

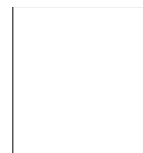

noveboracensis

Purple

Bloom: September October

Size 60-84" tall by 36" wide

Bold native for moist areas. Great color for late in the season.

Veronica

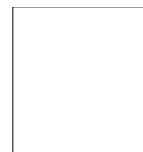

High Five

Blue

Bloom: June July August

Size 28-30" tall by 24" wide

thick spikes of blue flowers over rich green foliage. A veronica that really works well.

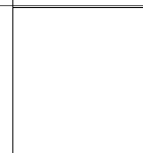

Twilight

blue

Bloom: June July August

Size 12" tall by 18" wide

Compact and very floriferous with mid-blue flowers and gray foliage

austriaca

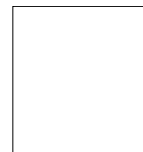

Crater Blue Lake

Blue

Bloom: June July

Size 12" tall by 24" wide

Brilliant gentian blue flowers on 12" spikes in June.

longifolia

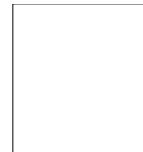

Eveline

Purple

Bloom: July August September

Size 20" tall by 18" wide

Dramatic deep purple flowers on extra large spikes, ideal for cutting.

peduncularis

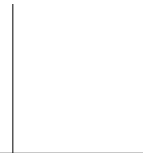

'Georgia Blue'

Intense Blue

Bloom: April May June

Size 6" tall by 24" wide

A durable vigorous ground cover that takes a variety of conditions. Very floriferous, will re-bloom through the season. Easy, drought tolerant. Bronze fall foliage.

spicata

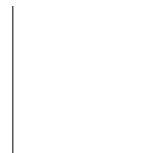

Heidekind

Pink

Bloom: July August

Size 8" tall by 12-18" wide

Compact rose spikes over a dense green mat. Blooms heavy in late spring and sporadically until frost.

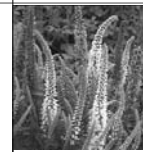

Sightseeing Mix

Mix

Bloom: July August September

Size 24-30" tall by 12" wide

A wonderful mix of pink, white and blue violet flowers. Grow uniformly to over 2 feet tall with pointed spikes make a great cutflower or back of the border plant.

subsessilis

Blue Bouquet

Purple blue

Bloom: August September Octob

Size 18" tall by 12" wide

A perennial often grown as an annual. Blooms in about 20 weeks from sowing. Spikes of purple-blue flowers, 12-18" tall. Nice in pots, as a cut flower and in the border. Very floriferous and stocky. Feed well.
