## Heirloom *Pelargonium capitatum*

### Vancouver Centennial

tall by wide

### Lemon Variegated

tall by wide

One of Sue's cuttings from a private collection.

### Mrs. Parker

Rose Pink 12-18" tall by 10-12" w

Silver leaf with white edges and a rose pink flower.

### Nutmeg

tall by wide

Sue's Cuttinigs - Scented

### Occold Shield

Red 16" tall by 12" wide

"Occold Shield" is a dwarf plant with orangey red semi double flowers. But take a look at the leaves - you can see "Occold Shield" was quite obviously named for the large dark blotch in the centre of the gold leaf. It makes a stunning statement plant.

## Ivy Geranium *Pelargonium peltatum*

### Blue Blizzard

Light lavender 10-12" tall by 10-12" w

Vigorous plants with excellent branching and outstanding heat tolerance. Features huge self-cleaning single flowers in a light lavender. 'Balcon' type ivy geranium

### Bright Cascade

Bright Red - Single 12-18" tall by 10-12" w

Traditional European ivy features a gorgeous waterfall of bright red color when used in window boxes and hanging baskets. Grows vigorous and carefree, requiring minimal maintenance for maximum flower set.

### Contessa Burgundy

Burgundy Cascade tall by Cascade

Semi-double - superior ivy in every respect. It has an exceptionally deep burgundy color, huge flower heads and beautiful large flower clusters. The branching is excellent and the deep green, zoned leaves are very Oedema resistant.

### Contessa Lavender

Lavender 12-18" tall by 10-12" w

Blooms all summer long and is weather resistant. Trailing habit with large blooms. Use in hanging baskets, planters, window boxes and beds.

### Contessa Red (Beach)

True red cascade tall by cascade

True red, medium early blooms on light green foliage. Trailing habit, blooms all summer. Semi double flower shape.

2

### Pink Blizzard

Pink 12" tall by 10" wide

Single flowerhead. Loads of pink flowers on a cascading "balcon" type hanging geranium. Light zoning in the leaves adds interest to the foliage.

### Sofie Cascade

Light salmon pink - single 12-18" tall by 10-12" w

One of our most popular ivy geraniums. Sofie Cascade is covered with pink blooms all summer long. The leaves also show a bit of variegation to add to the visual appeal.

### Temprano Salmon (Molina)

Salmon pink/Semi-dbl. 12-18" tall by 10-12" w

Large flowerhead on trailing, medium green foliage. Vigorous, heat tolerant grower.

### White Blizzard

White 12-18" tall by 10-12" w

Single flowerhead. Loads of white flowers on a cascading "balcon" type hanging geranium. Light zoning in the leaves adds interest to the foliage.

### Temprano White

White trailing tall by wide

The Temprano series are a compact, ivy (trailing) type of Geranium. Plants display early and continuous flowering. The luminous blooms of Temprano White are semi double and sit atop mid green foliage. These self cleaning plants are low maintenance and a brilliant addition to any garden.

## Scented Geraniums *Pelargonium capitatum*

### Attar of Rose

tall by wide

Not sure...just sounded like a nice name for a scented geranium. New for 2003.

### Atomic Snowflake

tall by wide

### Citronella

tall by wide

### Lady Plymouth

variegated foliage 12-16" tall by 12" wide

Scented geranium - Rose / Mint. Moderate to aggressive vigor. Excellent as an accent plant in containers or in the garden.

### Concolour Lace

Pink 12-16" tall by 8-12" w

Scented Geranium with "Nutty" scent. Compact-mounding habit, soft, fine-textured foliage. Excellent for mixed containers.

### Pink Capital

Pink tall by wide

Green leaves with pink flowers and a fruity scent.

## Seed Geranium *Pelargonium x hortorum*

### Horizon Coral Spice

tall by wide

### Horizon Red

tall by wide

### Horizon White

tall by wide

## Zonal Geranium *Pelargonium x hortorum*

### Americana Cherry Rose

Pink 16-18" tall by 12" wide

Americana Cherry Rose Pelargonium of the Americana Series, is known for its clean and intense flower colors and for the large flower heads it displays. Americana's are also excellent landscape performers and have a well branched plant structure. Americana Cherry Rose has an almost neon cherry-rose color that is very eye catching.

### Americana Coral

Coral 12-18" tall by 12-16" w

The 'Americana Coral' Geranium Plant bears 4-5 inch, full flower heads atop typical geranium-type leaves that are a dark, olive-green. This well-branched geranium shows off one of the truest coral colors on the market.

### Americana Cranberry Red

Cranberry Red 12-18" tall by 12-16" w

Geranium Americana Cranberry Red, Geranium 'Americana Cranberry Red', is a new and distinct very early flowering geranium plant with distinctive cranberry red colored flowers above medium green foliage. Like the other Americana's, this variety has excellent landscape performance and a well branched plant structure.

### Americana Orchid

Lavender Pink 12-24" tall by 12-18" w

Americana Orchid Pelargonium, one of the Americana Series, which is known for its clean and intense flower colors and for the large flower heads it displays. Americana's are also excellent landscape performers and have a well-branched plant structure. Americana Orchid has a lavender color with a white center, similar to the Rocky Mountain Lavender Pink ~~yet a little less vigorous~~.

### Americana Pink III

Pink 12-18" tall by 12-16" w

Americana Pink III has one of the best pink colors on the market. Like the other Americanas, this variety has excellent landscape performance and a well branched plant structure.

### Americana Red

Red 12-18" tall by 10-16" w

Clusters of semi-double scarlet red blooms extend above the beautiful foliage. Has a compact well-branched growth habit. Heat tolerant and excellent choice for containers and beds.

### Americana Rose Mega Spl

Rose 12-18" tall by 10-16" w

The Rose Mega Splash "splashes" thick, deep magenta markings near the center of the pink-lavender clusters of blooms. The Americana Geranium produces a deep green foliage with a faint zonal pattern. These geraniums are desired most for their beautiful foliage, semi-double blooms extending above the foliage, tolerance for heat and its mounding habit.

### Classic Lavender (Calypso)

Lavender 12-18" tall by 12-16" w

Classic Lavender Geranium features bold balls of lightly-scented lavender flowers at the ends of the stems from late spring to early fall. The flowers are excellent for cutting.

### Classic Pink (Melody)

Dk. candy pink 12-18" tall by 16" wide

Classic Pink Geranium features bold balls of lightly-scented pink flowers with a hot pink blotch at the ends of the stems from late spring to early fall. The flowers are excellent for cutting.

### Crystal Palace Gem

Dark salmonorange pink 12" tall by 12" wide

Specimen plant - unique foliage is greenish chartreuse with strong zonal qualities especially when grown in full sun.

### Emily

Dark clear pink lg. tall by wide

Vigorous grower. Deep rose pink on dark green foliage. Heat and drought tolerant. Some deadheading required.

### Fidelity Dark Red (Samba)

Red 10-18" tall by 9-12" wi

Naturally compact habit for higher density production and easier shipping. Well-branched, smaller leaf size, early bloomer. Medium green foliage with bold and vivid color.

### Horizon Petticoat

Pink with White 12" tall by 12" wide

Horizon Petticoat Geranium features bold balls of lightly-scented pink flowers with white overtones at the ends of the stems from late spring to early fall. The flowers are excellent for cutting.

### Langguth

Magenta med. tall by 30 wide

The Langguth has excellent vigor and great landscape performance. The soft green and white variegated foliage below attractive red flowers make Wilhelm Langguth a very popular old time favorite with consumers.

### Mayday

Hot Pink lg. tall by 30 wide

Hot pink blooms against dark green foliage make this vigorous grower a great statement plant for bedding or containers.

### Mohawk

Deep Red lg. tall by 30 wide

Sharp red blooms against deep green foliage make this vigorous grower a great statement plant for bedding or containers.

### Mrs. Pollock

orange red medium tall by 18" wid

This vigorous brocade geranium has four distinct colors in its leaves. Deep green centers are complimented by a dark zone that is interrupted with sparks of orange and all of this is surrounded by creamy leaf edges.

### Olivia

Light salmon lg. tall by wide

Light salmon blooms against medium green foliage.
