

Agastache *Agastache hybrid*

Arizona Sun

First year flowering, hardy annual in our area. Compact and uniform. Very easy care and extremely floriferous. Great in containers!

Golden Jubilee

Rich purple flower spikes compliment the golden foliage. Soft golden leaves with pleasant aroma when crushed. Use in pots or as a cut flower in the garden.

Korean Mint

Young leaves smell like licorice and have an attractive bronze hue. A hardy annual in our area with purple-blue flowers that can be cut fresh or dried. Attracts beneficial insects.

Pink Pop

Long blooms time in summer with pretty pink spikes of flowers. Compact plant grows only to 14 inches.

Ageratum *Ageratum houstonianum*

Aloha Blue

This dwarf Ageratum cultivar reaches a height of 5-8" and blooms summer through early fall. Lavender blue blooms attract pollinators.

Artist Blue

Compact Ageratum is great for containers! Keeps blooming all summer long without any need for dead-heading. Flowers stay blue and do not turn brown. Great for landscapes where minimal care is required.

Blue Horizon

Best tall ageratum for cutting. Long-lasting 3" cluster of flowers add texture and interest to mixed bouquets.

Alstroemeria *Alstroemeria*

Collection

Mixed collection of Alstroemeria varieties.

Alyssum *Lobularia maritima*

Blushing Princess

Fragrant flowers and blush lavender color make this plant a fantastic addition to your garden. Award Winner - Fragrant Flower - Heat Tolerant - Deadheading Not Necessary - Attracts: Butterflies - Garden Height: 4 - 8 Inches - Flower Colors: Purple

Clear Crystal Lavender Shade

Gardeners and landscapers will enjoy the fragrant, large blooms and stronger performance in containers and in-ground plantings. A mix of lavenders, Crystal Clear Lavender Shades attracts butterflies, bees, and other pollinators with low maintenance fragrant blooms. Makes a great border for annual, perennial, or vegetable gardens.

Clear Crystal Mix

Gardeners and landscapers will enjoy the fragrant, large blooms and stronger performance in containers and in-ground plantings. A mix of lavender, purples, and whites, Crystal Clear Mix attracts butterflies, bees, and other pollinators with low maintenance, fragrant blooms. Makes a great border for annual, perennial, or vegetable gardens.

Clear Crystal Purple Shade

Gardeners and landscapers will enjoy the fragrant, large blooms and stronger performance in containers and in-ground plantings. Clear Crystal Purple attracts butterflies, bees, and other pollinators with fragrant, deep purple blooms. Makes a great border for annual, perennial, or vegetable gardens.

Clear Crystal White

Gardeners and landscapers will enjoy the fragrant, large blooms and stronger performance in containers and in-ground plantings. Clear Crystal White attracts butterflies, bees, and other pollinators, with fragrant, snowy-white blooms. Makes a great border for annual, perennial, or vegetable gardens. One of our most popular varieties.

Snow Princess

No deadheading necessary. This plant is sterile so it will bloom all summer without deadheading. Trails up to 24". Attracts bees and butterflies.

Violet Knight

The Knight lobularia are wonderful multi-season plants. Improved heat tolerance. Blooms from spring until frost.

White Knight

Fragrant white flowers on a heat tolerant plant. Long blooming, attracts bees and butterflies all summer and into fall. Trails up to 24".

Amaranth *Amaranthus tricolor*

Carnival

A festive combination of hot summer colors explode in gardens and landscapes. A striking foliage plant with fiery shades of yellow and red contrasting with bronze leaves. Tall, purple flowers are produced in late summer. A focal point for any display.

Early Splendor

Early Splendor has gorgeous chocolate colored leaves that are topped with brilliant crimson. This spectacular foliage plant excels in heat and humidity, and provides color very early in the summer as soon as temperatures get warm clear up until frost season begins. Growing to 24 inches tall, this variety of Amaranthus grows in full sun to part shade, and looks terrific grown in clusters or in borders as a contrast with other foliage plants.

Emerald Tassles

Ropes of lime green-colored, trailing blooms. Fantastic color and texture for fresh bouquets or large containers. When dried, the blooms turn from green to a light ta color that works well in fall arrangements. Ht. 36-60".

Hot Biscuits

Gorgeous burnt orange color. A tall, graceful amaranth. Nice in the back of the garden with warm color that adds to harvest arrangements and bouquets.

Opopeo

Colorful spikes resemble a jester's cap. Striking bronze foliage. Original seed from the Mexican village of the same name.

Angelonia *Angelonia augustifolia hybrid*

Angelface Blue

A favorite Angelonia from Proven Winners for containers or in the garden. Somewhat compact with upright habit. Abundant spire-like blooms all season. Loves heat and sun.

Angelface Perfectly Pink

Angelonia Perfectly Pink is a favorite for containers and garden beds. This compact pink Angelonia blooms all season long.

Angelface Wedgewood Blue

This large and beautiful blue and white bicolor flower has a garden performance that makes an exciting addition to your summer flowering collection.

Angelface Wedgewood Pink

This large and beautiful pink and white bicolor flower has a garden performance that makes an exciting addition to your summer flowering collection.

Angelface White

A favorite Angelonia from Proven Winners for containers or in the garden. Somewhat compact with upright habit. Abundant spire-like blooms all season. Loves heat and sun. Can be used as a cut flower, although other taller varieties may provide longer stems.

Angelface White Cascade

The cascading habit of this Angelface Angelonia is perfectly suited for hanging baskets and combinations. The plants have height on the top of the pot, but then cascade over the edge as well. In containers it will function as both a filler and spiller. Their heat tolerance makes them an excellent choice for gardeners who live in climates with hot summers.

Serena Mix

Heat loving, snapdragon-like flowers bloom all over the plants in mid to late summer. No deadheading required. The first angelonia series from seed rivals the quality of the vegetatively propagated angelonias.

Argyranthemum *Argyranthemum x.*

Beauty Yellow

This old-fashioned favorite is sure to attract attention. Feathery foliage compliments a non-stop display of colorful daisies

Golden Butterfly

This is the golden yellow version of venerable Butterfly Marguerite Daisy. The large daisy flowers thoroughly cover the plants all summer, no deadheading needed.

Pure White Butterfly

Pure White Butterfly *Argyranthemum* is a reliable, continuous bloomer. The large daisy flowers are a lovely crisp, clean white flower with a bright yellow eye.

Artichoke *Cynara cardunculus*

Cardoon

This silvery green plant produces an artichoke-like bloom in late summer that slowly opens to a lavender blue flower. Foliage is thick and fleshy, with deeply cut leaves providing lots of texture. This plant makes a statement, either as an addition to an annual or perennial garden, or in a large container.

Asparagus Fern *Asparagus sprengeri*

Asparagus Fern

Light airy foliage with trailing habit makes great filler and accent plant.

Aster *Callistephus chinensis*

Benary's Princess Formula Mix

A mix of tall princess type garden asters with great plant habit and vigor. Rubular flowers with a light center surrounded by a ring of broad petals. Eleven colors.

Pixie Princess Mix

A versatile, mid-season mix bearing fully double, pastel blooms on 8-in. (20-cm) plants.

Pot & Patio

Dark green, bushy, uniform, dwarf plants produce fully double, rounded, 2 1/2" blooms in pinks, whites, and purples.

Bachelor Button *Centaurea cyanus*

Blue Boy

Blue Boy is the classic Bachelor Button. We've grown it in our cut flower gardens here at Spring Ledge for many years. Attracts beneficial insects and pollinators. Easy to grow corn blue flowers.

Bacopa *Sutera cordata*

Scopia Gulliver White

The 'Scopia Gulliver White' Bacopa Plant features extra-large white flowers with beautiful green foliage. Trails up to 24".

Begonia *Begonia x.*

Angel Falls Soft Pink

White flowers with pink and yellow accents. Use them in containers and hanging baskets where they will send cascading blooms over the edges all summer long.

Angel Wing Collection

Assorted Angel Wing Begonias

Bada Bing Mix

"Bada Bing" is a series of sun-tolerant green leaf wax begonias that bloom profusely from spring until the first frost of fall. The plants are available in a variety of colors, including white and shades of pink, scarlet and rose.

Bada Bing Pink

"Bada Bing" is a series of sun-tolerant green leaf wax begonias that bloom profusely from spring until the first frost of fall. The plants are available in a variety of colors, including white and shades of pink, scarlet and rose.

Bada Bing Rose

"Bada Bing" is a series of sun-tolerant green leaf wax begonias that bloom profusely from spring until the first frost of fall. The plants are available in a variety of colors, including white and shades of pink, scarlet and rose.

Bada Bing Scarlet

"Bada Bing" is a series of sun-tolerant green leaf wax begonias that bloom profusely from spring until the first frost of fall. The plants are available in a variety of colors, including white and shades of pink, scarlet and rose.

Bada Bing White

"Bada Bing" is a series of sun-tolerant green leaf wax begonias that bloom profusely from spring until the first frost of fall. The plants are available in a variety of colors, including white and shades of pink, scarlet and rose.

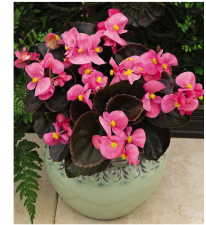

Bada Boom Mix

"Bada Boom" is a series of sun-tolerant bronze leaf wax begonias that bloom profusely from spring until the first frost of fall. The plants are available in a variety of colors, including white and shades of pink, scarlet and rose.

Bada Boom Pink

"Bada Boom" is a series of sun-tolerant bronze leaf wax begonias that bloom profusely from spring until the first frost of fall. The plants are available in a variety of colors, including white and shades of pink, scarlet and rose.

Bada Boom Rose

"Bada Boom" is a series of sun-tolerant bronze leaf wax begonias that bloom profusely from spring until the first frost of fall. The plants are available in a variety of colors, including white and shades of pink, scarlet and rose.

Bada Boom Scarlet

"Bada Boom" is a series of sun-tolerant bronze leaf wax begonias that bloom profusely from spring until the first frost of fall. The plants are available in a variety of colors, including white and shades of pink, scarlet and rose.

Bada Boom White

"Bada Boom" is a series of sun-tolerant bronze leaf wax begonias that bloom profusely from spring until the first frost of fall. The plants are available in a variety of colors, including white and shades of pink, scarlet and rose.

Double Delight Blush Rose

A spectacular new lightly fragrant variety of begonia which makes the ideal hanging basket plant. It produces an abundance of scented double flowers in shades of pink during the summer months.

Double Delight Primrose

A spectacular new fragrant variety of begonia which makes the ideal hanging basket plant. It produces an abundance of scented double flowers in soft yellow with apricot accents during the summer months.

Dragon Wing Pink

Large arching stems, beautiful and graceful rich green leaves, large blooms. Dragon wing begonia type plant but much more vigorous and bushy.

Dragon Wing Red

Large arching stems, beautiful and graceful rich green leaves, large blooms. Dragon wing begonia type plant but much more vigorous and bushy.

Dragon Wing White

Large arching stems, beautiful and graceful rich green leaves, large blooms. Dragon wing begonia type plant but much more vigorous and bushy.

Encanto Orange

Encanto Orange Begonia is a boliviensis type. Trailing stems with pointed, slim green leaves compliment cascading orange blooms. Great variety for containers and hanging baskets.

Encanto Pink

Encanto Pink Begonia is a boliviensis type. Trailing stems with pointed, slim green leaves compliment cascading pink blooms. Great variety for containers and hanging baskets.

Encanto Red

Encanto Red Begonia is a boliviensis type. Trailing stems with pointed, slim green leaves compliment cascading red blooms. Great variety for containers and hanging baskets.

Escargot

Escargot Rex Begonia is a great statement piece for hangers or containers. Begonia rex 'Escargot' gets its name from the unique way that the leaf curls in on itself, creating a spiral effect that resembles the shell of a snail. The deeply spiraled leaves of Begonia rex 'Escargot' are marked in bands of silver and green. Occasionally produces a small white or pale pink flower.

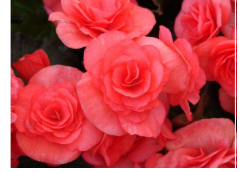

Groovy White

Bright White boliviensis Begonia with tight, even branching and a compact habit. This is a great shade plant for hanging baskets or window boxes.

I'conia First Kiss

An interspecific series with serrated deep green leaves that accent large semi-double blossoms. Tough and versatile series for containers or baskets in sun to shade. Bright blush pink blossoms atop dark serrated foliage shine in the shade. Nice large flower size with a pleasing upright habit. Extremely heat tolerant.

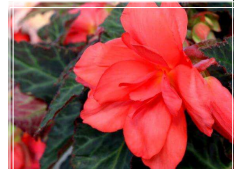

I'Conia Lemon Berry

Bicolor yellow and pink semi-upright Begonia with double blooms. Fragrant.

I'conia Miss Malibu

Large deep coral blossoms pop against dark bronze foliage. Great as stand alone plants in containers.

I'conia Miss Miami

I'CONIA Miss Miami is a low-maintenance plant with bright, red-orange blooms, and dark green foliage.

I'Conia Miss Montreal

The large, 3" blossoms are creamy white set off by soft yellow highlights, and edged in delicate coral pink. Its lovely, semitrailing form makes it an ideal candidate for containers, hanging baskets, and window boxes. Part of the long-blooming Unbelievable series of Begonias with a strong branching habit.

NonStop Orange

Big, double, orange blossoms on an upright, bushy plant with dark green foliage slightly more heat tolerant than other tuberous Begonias. Makes a great statement alone or with other colors in a shady garden.

NonStop Pink

Non-stop varieties offer multiple blooms all summer long. One of our favorite and most popular varieties for shade. Upright, sturdy plants do well in containers and in the garden.

NonStop Red

Free-flowering, compact plants with 2 1/2 to 3" flowers. One of our favorite and most popular varieties for shade. Upright, sturdy plants do well in containers and in the garden.

NonStop Rose

Free-flowering, compact plants with 2 1/2 to 3" flowers. One of our favorite and most popular varieties for shade. Upright, sturdy plants do well in containers and in the garden.

NonStop Salmon

Non-stop varieties offer multiple blooms all summer long. One of our favorite and most popular varieties for shade. Upright, sturdy plants do well in containers and in the garden.

NonStop White

Blooms non stop throughout the season. Very easy to grow begonia. One of our favorite and most popular varieties for shade. Upright, sturdy plants do well in containers and in the garden.

NonStop Yellow

Non-stop varieties offer multiple blooms all summer long. One of our favorite and most popular varieties.

Pegasus

Begonia hybrid 'Pegasus' has glossy green foliage with white accents. It makes a nice thriller plant in shady combinations and can also be used in the landscape as a specimen, planted in mass, or as a border.

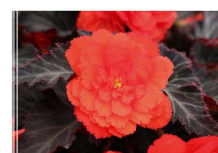

Portofino Citrix

This semi-upright Begonia has beautiful large double blossoms on well-branched plants with dark foliage. Blooms sit above the foliage for a dramatic display. Sunny yellow-orange blooms.

Portofino Hot Coral

This semi-upright Begonia has beautiful large double blossoms on well-branched plants with dark foliage. Blooms sit above the foliage for a dramatic display. Coral pink blooms contrast beautifully with dark leaves.

Rex Assorted

Mix of Rex foliage Begonias.

Bidens *Bidens ferulaefolia*

Campfire Flame

A breakthrough color for Bidens, Campfire Flame bears rich orange and yellow bicolor blooms on compact plants. It can be used in combination with other medium to high vigor plants such as Supertuniar or grown on its own in hanging baskets and landscapes. This is a high light plant that is heat and drought tolerant once established.

Campfire Marshmallow

Pure white flowers with yellow eye cover this compact, mounded plant. Blooms spring to fall and needs minimal maintenance. Makes a great garden boarder or addition to mixed containers.

Goldilocks Rocks

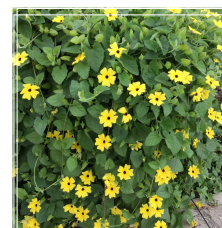

Vigorous, heat and drought tolerant; bright gold flowers spring to fall. This plant makes a great addition to containers or landscape and pairs well with dark colors

Black Eyed Susan Vine *Thunbergia x*

Lemon

Bright yellow flowers cover this climbing vine all season long. Vigorous grower does well in containers and hanging baskets. Pair with other vigorous plants.

Sunny Susy Red Orange

Vigorous climbing black eyed susan vine. This gorgeous climbing vine blooms all summer long. A great statement plant in a container or hanging basket. Be sure to pair with other vigorous plants.

The Big White

Vigorous climbing vine covered in bright white flowers with a dark center all summer long.

Browallia *Browallia speciosa*

Endless Flirtation

Prolific spring and summer bloomer! Brilliant white blooms against green foliage. Easy care, no deadheading required. Makes a great shade plant. Plant alone or mix with Endless Illumination!

Endless Illumination

Prolific spring and summer bloomer! Lovely purple-blue blooms against green foliage. Easy care, no deadheading required. Makes a great shade plant. Plant alone or mix with Endless Flirtation!

Brown Eyed Susan *Rudbeckia x*

Cappuccino

The blooms are huge by Black-Eyed Susan standards -- 4 inches across, easily. They sport petals divided into golden-yellow and mahogany-red, all surrounding the familiar dark brown to black center. Long-lasting on the plant or in the vase, they are like mini Sunflowers, radiating warm color and, in the garden, bringing butterflies in by the dozen.

Cherry Brandy

These robust plants have outstanding garden performance, producing a mass of attractive, cherry-colored blooms all summer long - triumphing over heat, drought and poor soils! Stunning when planted in drifts in borders or can be planted in large containers to create a feature plant on a patio or terrace. Flowers average 3-4 inches in width, 24 inches in height.

Pawnee Spirit

Very early, uniform flowering. Produces impressive flowers up to 6 in. (15 cm) in diameter, with uniform, dark centers. Drought-tolerant variety offers outstanding garden performance. Attracts beneficial insects.

Sunspot Gold

A compact plant with a tidy appearance blooms from May through first frost. A great choice for your garden. One of the best plants for attracting butterflies and other pollinators. Ideally suited for garden beds, landscapes and containers.

Sunspot Yellow Bicolor

A compact plant with a tidy appearance blooms from May through first frost. A great choice for your garden. One of the best plants for attracting butterflies and other pollinators. Ideally suited for garden beds, landscapes and containers.

Bupleurum *Bupleurum griffithii*

Green Gold

Bupleurum is a great producer and makes a fantastic filler for cut flowers. Delicate yellow blooms on blue-green foliage. Use in the border in sun or fairly shaded areas. Great form and coloring.

Calendula *Calendula officinalis*

Costa Mix

Calendula is a great spring season crop. Costa Mix's larger than normal flowers cover the strong vigorous plants. Edible flowers make a great addition to salads. Blooms dry well and can be used in natural skin care products.

Pacific Beauty

This edible annual prefers cooler climates and blooms peak in spring to early summer but can last through the fall. The 2-3" blooms, in shades of orange, cream to yellow garland 1-2 feet tall plants. Nice for cut flower production. Attractive to beneficial insects.

California Poppy *Eschscholzia californica*

Z-scape

This annual is the classic orange California Poppy. Silky, saucer-shaped, 3 inch, bright-orange blossoms on slender, erect stems above feathery foliage. Drought-resistant and sturdy. Perfect selection to add some color to bleak, dry areas. May self sow.

Canna *Canna x generalis*

Cannova Bronze Peach

Bright, tropical blooms on impressive foliage. Makes a great statement plant for landscape or containers.

Cannova Bronze Scarlet

Bright, 3 to 4-in tropical blooms are held above the impressive bronze foliage. Use for pots and bedding.

Cannova Mango

Bright, tropical blooms on impressive foliage. Makes a great statement plant for landscape or containers.

Cannova Orange Shades

Bright, tropical blooms on impressive foliage. More compact habit makes this a great statement plant for landscape or containers.

Cannova Red Shades

Bright red blooms and impressive foliage makes this plant a show-stopper. Cannova series Cannas have a more compact habit, making them a great choice for containers or garden beds.

Cannova Rose

Rich, rose-colored blooms and impressive foliage makes this plant a show-stopper! Cannova series Cannas have a more compact habit, making them a great choice for containers or garden beds.

Cannova Yellow

Bright, sunny yellow blooms an impressive foliage makes this plant a show-stopper! Cannova series Cannas have a more compact habit, making them a great choice for containers or garden beds.

Cerithe *Cerithe major var. purpurescens*

Kiwi Blue Cerithe

The bees love this little known bushy annual! Cooler nights of late summer accentuate the colors. Grey green foliage and blue bracts with purple flowers. Tolerates heat, but likes cool weather and withstands light fall frosts. Self sows readily.

Chinese Forget Me Not *Cynoglossum amabile*

Blue Shower

Very prolific bloomer and a great cut flower. Blooms continually if spent flowers are picked off.

Mystery Rose

Tall variety of cynoglossum. Great for cut flowers and a unique shade of rose color for the garden.

Cleome *Cleome hasslerana*

Queen Mix

Old-fashioned flower makes a great back-of-the-border plant and an unusual cut flower. Beware of thorny stems. Purple, pink, white flowers.

Senorita Blanca

This heat and drought tolerant plant adds dramatic height to landscape beds; sterile white flowers and thornless, non-sticky, odorless foliage adds to the appeal for this great garden performer.

Senorita Rosalita

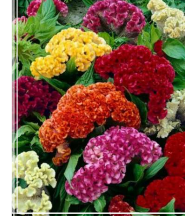

This heat and drought tolerant plant adds dramatic height to landscape beds; sterile pink/lavender flowers and thornless, non-sticky, odorless foliage adds to the appeal for this great garden performer.

Cockscomb *Celosia cristata*

Chief Mix

One of the best cockscombs for cut flowers. Strong 30 to 40 inch stems are topped with massive 6 inch velvety combs in rich shades of red, carmine, rose, gold, plus a red and yellow bicolor.

Flamingo Feather

Novelty cut flower easy to grow. Deep coral pink blends to near white. Upright sprays. Perfect for drying.

Pampas Plume

Perfect for cut flower filler. Masses of soft, feathery spikes in scarlet, orange, bright yellow, pink and cream. Multi-branching plants produce 10-14 stems per plant. These flowers can also be dried for later use in crafting projects.

Prestige Scarlet

Celosia Prestige Scarlet produces cockscomb-like flower heads of striking scarlet complementing the dark bronze-green foliage. This variety grows vigorously under hot, humid conditions to 12-24 inches/30-60 cm tall, depending on the climate. A good cut flower for home gardens, Prestige Scarlet produces large, vivid flower heads which form at every node, covering the plant from top to bottom.

Coleus *Solenostemon scutellarioides*

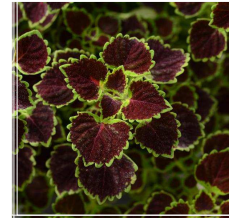

Black Dragon

Good early performance, moderately lobed leaves edged in purple.

Burgundy Wedding Train

Trailing burgundy Coleus with green edged leaves. Great shade plant pairs well with Begonias.

Chocolate Covered Cherry

Chocolate Covered Cherry displays one of the best foliage patterns - the rose center on each leaf is surrounded by deep mahogany and edged with a thin green margin. This impressive variety performs well in planters and small space gardens in both sun and shade. Great for planting in combinations with impatiens and begonias.

Chocolate Dark

Mahogany Velvet-toned Leaves - for Sun or Shade! Neat and well-branched, this coleus reaches 12 to 14 inches high and about 12 inches wide -- a nice size for containers as well as the garden.

Chocolate Drop

Chocolate Drop Solenostemon has lobed, rounded green leaves that have a deep crimson center and crimson venation. This is a great Coleus for draping over your container mixes. The trailing habit of Chocolate Drop makes it a sweet filler for your combinations.

Chocolate Mint

The prettiest and neatest Coleus to come along in quite a while, 'Chocolate Mint' offers rich brown to burgundy-maroon foliage with a trim mint-green scallop and matching reverse. These leaves are very uniform, creating a formal look that suits porch steps and patterned beds perfectly. It reaches 12 to 14 inches high and about 10 to 12 inches wide, a good size for containers or the middle of the annual border. Content even in full shade, it is quite heat tolerant outdoors.

Colorblaze Golden Dreams

Colorful chartreuse foliage with red veins. It performs well in both sun and shade, as long as there is reasonable humidity. In very low humidity environments, it will need afternoon shade.

Colorblaze Newly Noir

This Coleus has deep burgundy, almost black foliage that makes a statement in a container or garden bed.

Colorblaze Pineapple Brandy

Bright yellow green foliage and finely cut leaves make this Coleus a stunner! Ca take sun or shade!

Colorblaze Rediculous

Red foliage on vigorous, well-branched plants. Makes a great addition to garden beds and containers.

Colorblaze Torchlight

Pink, maroon and green foliage on well branched plants. Makes a great addition to garden beds and containers.

Colorblaze Wicked Witch

Deep Burgundy to Chocolate foliage with a ruffled edge outlined in chartreuse with well-branched plants. Sun to shade tolerant and great in both landscapes and containers. It is late to bloom, which helps preserve the foliage presentation throughout the season.

Dipt in Wine

A top performer in the coleus range. Can do well in morning sun and afternoon shade. Use in beds, borders and containers.

Down Town Santa Monica

Down Town Santa Monica Coleus has an upright, mounded habit with red serrate foliage edged in green and gold. Down Town Santa Monica is more compact than other Coleus, reaching only 12-18", making it ideal for container plantings.

Gay's Delight

Chartreuse lime green leaves with dark maroon veins. Very cool.

Kong Mix Empire

Extremely large leaves and unique patterns on well-branched plants. Excellent shade alternative for large containers, large mixed combos and landscapes.

Lime Time

Sun tolerant chartreuse foliage is great in landscapes and containers.

Main St. River Walk

Main St. River Walk Coleus has beautiful chartreuse leaves with darker green veining. Perfect for bringing some bright color into a shady garden bed!

Main St. Ruby Road

Main St. Ruby Road has bright pink leaf centers, surrounded by maroon and rimmed in green. Great for container plantings or garden beds.

Sedona

A sport of Coleus 'Freckles', 'Sedona's' unique russet color does best in part shade. Blends well in mixed containers. Tidy, compact habit.

Stained Glassworks Kiwi Fern

From the Stained Glassworks Series bred for the landscape, can tolerate anything from full sun to shade. Striking foliage.

Strawberry Drop

Trailing Coleus from Proven Winners. Leaves are small and pointed with serrated edges. Yellow and Pink centers melt into a burgundy veined green on the outer edge of the leaf.

Wizard Golden

These tight and compact formed plants will make just amazing swaths of color in you landscape! Plant alone or for impressive contrast, plant this with darker colored Coleus to get amazing texture and vivaciousness in your landscape! Seeing is believing when it comes to 'Wizard Golden' Coleus!

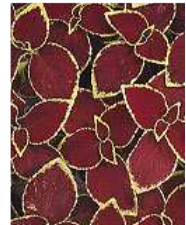

Wizard Mix

Oval to heart-shaped leaves in a full color range, Wizard Mix is a great Coleus to add some interest to shady areas of the garden.

Wizard Scarlet

Great as an accent plant or grown 4-6 spaced 8-12" inches apart to create a mass of foliage color.

Wizard Sunset

Wizard Sunset Coleus is a vivid orange with golden edges. Wizard Sunset tolerates sun, heat, and humidity particularly well for coleus. Compact, bushy plants grow 12-14 in.

Wizard Velvet Red

Dark red leaves. Look like velvet. Coleus can stand sun as well as shade. Great as an accent plant or grown 4-6 spaced 8-12" inches apart to create a mass of foliage color.

Cosmos *Cosmos bipinnatus*

Apollo Mix

18"-24" tall. The naturally dwarf habit and shorter internodes make for a better display of colour. Large flowers and better petal quality leads to much greater impact in containers or the garden.

Chocamocho

Delicate chocolate-colored flowers are held on sturdy stems; fernlike foliage.

Cosmic Orange

Dwarf Klondike type cosmos are very heat tolerant plants. Single to semi-double orange flowers on bushy dwarf plants.

Limara Lemon

A naturally compact globe shaped plant, very free flowering and very long flowering in this new intense lemon yellow colour. This type of Cosmos always 'pays it's way' by the sheer length of blooming and it's weather tolerance. A new colour in Cosmos.

Sea Shells

Here's something unusual for cottage gardens or for cut-flowers: the ray flowers of this charming cosmos are tubular or cone-shaped rather than flat, giving the blooms an intricate look. Three-inch flowers are produced abundantly all summer until frost, in the usual cosmos shades of deep rose, shell pink and pure, snowy white. Plants reach 3-4 feet; like most cosmos, tolerates poor and dry soils, hot conditions.

Sensation Mix

Our most popular and versatile cosmos variety. Shades of pink, white, and blush. A favorite in our cutting gardens. More blooms come with every cut.

Sonata Mix

Beautiful and bright summer flowers in shades of pink, magenta, and white - classi cottage garden flower. Great cut flower.

Sonata Pink

Mid height Pink Cosmos. The Sonata Series reaches 24" tall with abundant pink flowers all season long. Great for cutting.

Sonata White

Mid height White Cosmos. The Sonata Series reaches 24" tall with abundant white flowers all season long. Great for cutting.

Cuphea *Cuphea hybrid*

Vermillionaire

Hummingbird and bumble bee magnet! Extremely heat and humidity tolerant, as well as frost tolerant. Very low maintenance, great orange color and upright habit.

Cyclamen *Cyclamen hederifolium*

Helios Scarlet Red

Red Cyclamen. Ready in November/December.

Helios White Compact

White Cyclamen. Ready in November/December.

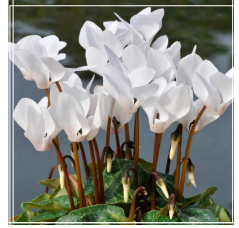

Tianis Red Bright

Red Cyclamen. Ready in November/December.

Tianis White Pure

White Cyclamen. Ready in November/December.

Dahlberg Daisy *Dyssodia tenuiloba*

Dahlberg Daisy

Produces mounds of green fern-like foliage covered with yellow daisies. Golden fleece makes especially nice baskets for summer.

Dahlia *Dahlia variabilis*

Bishop's Children

Bishop's Children is based on the famous heirloom 'Bishop of Llandaff', one of the oldest dahlia cultivars in the world. This majestic strain produces nearly 100% dark mettalic colored foliage. 2" flowers in smokey-purple, bronzy-orange, ocher, garnet and shades of maroon.

Dalina Grande Cadena

This mid sized Dahlia produces continuous blooms from planting to frost, deadhead as needed. Bright Fuschia flower is a showstopper. Great for the garden or containers.

Dalina Grande Cancun

This mid sized Dahlia produces continuous blooms from planting to frost, deadhead as needed. Grande Cancun is a deep red with white tips. Great for the garden or containers.

Dalina Grande Lopez

Beautiful mid-height white Dahlia. Continuous blooming from planting to frost, deadhead as needed.

Dalina Grande Tequila

This mid sized Dahlia produces continuous blooms from planting to frost, deadhead as needed. Grande Tequila is a firey orange. Great for the garden or containers.

Dalina Grande Topia

Masses of red blooms from planting to frost. Ideal for planting in containers or into the garden. Best when planted in full sun.

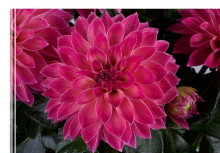

Dalina Midi Corsica

This compact yellow Dahlia makes a great statement in mixed containers.

Dalina Midi Ibiza

Large pink flowers bloom from planting until frost
Attracts butterflies and is low maintenance

Dalina Midi Malta

Dalina Midi Malta is a short, 8-12" long blooming Dahlia with beautiful pink blooms with yellow centers.

Dalina Midi Pinta

This small orange-salmon Dahlia makes a great addition to containers or landscape. Deadhead for continuous blooms.

Figaro Mix

Standard semi-double flowers on bushy uniform plants. Flowers are up to 2 1/2 inches across. Dark green leaves. Nice container or bedding plant.

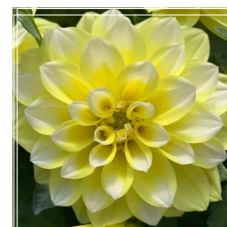

Hypnotica Candy Corn

This mid sized Dahlia has bicolor yellow, orange, and white blooms.

Hypnotica Lemon Swirl

This mid-sized dahlia has bicolor yellow and white blooms.

Hypnotica Red

Hypnotica series Dahlias have large flowers on vigorous well-branched plants. Hypnotica Dahlias make a fantastic show in containers and garden beds. Hypnotica Red is a classic deep velvety red on dark green foliage.

Hypnotica Rose Bicolor

This small Dahlia has a beautiful glowing yellow and pink blossom. Great in the landscape or containers. Deadhead to encourage continuous blooming.

Mystic Illusion

This new dahlia has gorgeous, bright yellow blooms that pop against its rich, dark purple (nearly black) foliage. 'Mystic Illusion' is well branched and makes a strong statement in beds, borders, and containers.

Virtuoso Classy Carmine

Virtuoso dahlias have strong growth, powdery mildew tolerance and all-season garden performance. Large, double, carmine red flowers are produced on proportional stems above the densely mounded foliage.

Virtuoso Dayglo Yellow

Virtuoso dahlias have strong growth, powdery mildew tolerance and all-season garden performance. Large, double, bright yellow flowers are produced on proportional stems above the densely mounded foliage.

Virtuoso Pinkerific

Virtuoso dahlias have strong growth, powdery mildew tolerance and all-season garden performance. Large, double, pink flowers are produced on proportional stems above the densely mounded foliage.

Virtuoso Vibrant Violet

Virtuoso dahlias have strong growth, powdery mildew tolerance and all-season garden performance. Large, double, violet flowers are produced on proportional stems above the densely mounded foliage.

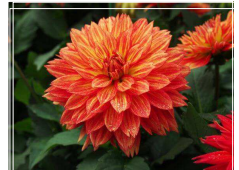

XXL Juarez

XXL Juarez is a gorgeous Dahlia with extra large flowers on a well branched, sturdy plant. Great for containers, garden beds, and excellent for cutting, this variety has unique bicolor pink and yellow blooms.

XXL Tabasco

Large, fiery orange double blooms with splashes of yellow stand tall above deep green foliage.

Datura *Datura chlorantha*

White

Strong upright grower, very fragrant. Beautiful trumpet shaped flowers up to 6 inches across. Open in the evening and usually last only one or two days.

Dianthus *Dianthus barbatus*

Black Cherry

A steady show of fragrant, punch-colored blooms from early spring into autumn. Excellent cut flowers. Deer resistant, low upkeep plants show good frost and heat tolerance.

Diana Blueberry

Early, compact series with great colors. Large blooms on low-growing plants.

Jolt Cherry

Sturdy dark green plants with bright blooms keep flowering all summer long, even in hot and dry climates.

Jolt Pink

Sturdy, dark green plants with bright blooms keep flowering all summer long, even in hot and dry climates.

Jolt Pink Magic

Jolt Pink Magic is a long blooming Dianthus that grows 16-20". These strong, well branched plants have increased heat tolerance and produce beautiful blooms all season long.

Jolt Purple

Dianthus Jolt Purple has great color on well-branched plants. Increased heat tolerance means this Dianthus will continue flowering all season long.

Supra Pink

Supra Pink joins its sister, 2006 AAS Winner Supra Purple, to give us two fantastic colors in an easy-to-grow interspecific dianthus for three-season (spring, summer, fall) garden color. This compact, bushy plant blooms prolifically with novel mottled pink flowers sporting frilly petal edges that hold up even in summer heat and drought. No deadheading needed on this winner.

Digiplexis *Digiplexis x.*

Illumination Flame

Digiplexis 'Flame' sets attention-getting blooms over an extended season. A great pollinator plant. Does well in containers or beds.

Dorotheanthus *Dorotheanthus belidiformus*

Mezoo Trailing Red

Dorotheanthus Mezoo Trailing red is a succulent that has glossy green leaves tipped with white. Mezoo produces dainty red daisy-like blooms amongst its beautiful foliage. Commonly referred to simply as Mezoo. Mezoo's mounding and trailing habit will produce many delicate red blooms for your Spring, Summer and Fall beds and containers while maintaining its gorgeous foliage.

Dusty Miller *Senecio x*

Angel Wings

A striking new Senecio with the beautiful name "Angel Wings". Angel Wings has silky, silvery white foliage and is a perfect plant for indoors as well as outdoors. Beautiful to use for mixed containers or as a solitary on patio or balcony.

Cirrus

Larger, whiter leaves than Candidissima or Diamond. Retains silver color longer than the above strains. Exceptional rain and frost tolerance. Best strain for solid gray borders.

Silver Dust

In the Artemesia family grown mainly for its unique foliage. Silvery leaves provide a nice contrast all summer long. Cold hardy variety.

Dwarf Morning Glory *Evolvulus x*

Blue My Mind XL

Light blue blossoms on silvery green foliage, now on a more vigorous plant.

Eucalyptus *Eucalyptus citriodora*

Lemon Bush

A quick and easy to grow species with slender stems and unusual sword shaped silvery-green foliage. The foliage has a lemon aroma which is known to deter mosquitoes, making this ideal for growing as a houseplant indoors or as attractive and beneficial patio feature plant.

Murray

Large, green-blue leaves
Compact plant habit

Silver Drop

Best variety for bouquets. Small silver-green leaves work easily into mixed dried or fresh bouquets. Great for containers or as an accent in annual or perennial gardens.

Small Leaved Gum

Airy, dark blue-green eucalyptus. Shrub-like, compact habit in our annual trials, reaching 2-3' tall. Fine leaf-shape has a delicate appearance. Dark blue-green leaves contrast with red stems. Uniform plant habit.

Styx

Fast growing, branching eucalyptus has silvery blue leaves.

Euphorbia *Euphorbia hybrid*

Diamond Frost

Definitely a Proven Winner! Small white flowers atop graceful plants bloom continuously from spring through fall with literally no maintenance. Great as specimen plant or in container combinations. Cold tolerant, heat tolerant.

Diamond Mountain

Heat- and drought-tolerant plants; clouds of airy white flowers all season; low maintenance. Much larger plants than Diamond Frost with a great landscape presence and perfect for mixing with other vigorous plants, such as Supertunia Vista petunias.

Feverfew *Matricaria parthenium*

Roya

Border plant. Scented leaves. Daisy flowers with yellow centers. Can be used as a cut flower. Attracts beneficial insects.

Flowering Cabbage *Brassica oleracea*

Flowering Cabbage & Kale Mix

Flower-forming cabbages in mixed colors on sturdy stems. Great for fall arrangements.

Flowering Tobacco *Nicotiana alata*

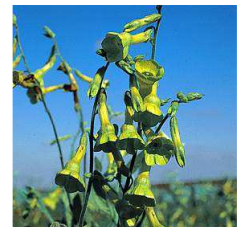

Fragrant White

Tall plants reach 24-30" with white flowers. Can be used for bedding or cut flowers. Fragrant scent in the evening.

Langsdorfii

Well-known green flowering Nicotiana for high borders. This tall species from Brazil and Chile produces lovely apple-green blooms that add a unique splash of color to any garden. The long sprays of flowers are great for arranging.

Only the Lonely

Huge plants with a beautiful fragrance released in the evening hours. White flowers all along the tall flower stalks.

Perfume Deep Purple

Delicate evening fragrance and deep purple blooms. Works well as a cut flower, in flower beds or in containers.

Starmaker Mix

Starmaker nicotiana delivers compact habit and early flowering. Brightly colored heatlovers will bloom all summer long. Great in landscapes and in containers.

Starmaker Red Bright

Starmaker nicotiana delivers compact habit and early flowering. Brightly colored heatlovers will bloom all summer long. Great in landscapes and in containers.

Starmaker White

Starmaker nicotiana delivers compact habit and early flowering. Brightly colored heatlovers will bloom all summer long. Great in landscapes and in containers.

Whisper Deep Pink

A great garden performer with excellent disease resistance and flower power throughout the season. Excellent choice to add structure and height to containers and gardens.

Fuchsia *Fuchsia x.*

Blue Eyes

Partial shade and trailing variety. Red sepals over double orchid corolla. Excellent in hanging baskets, shade window boxes.

Dark Eyes

One of the most popular varieties. Double purple flowers with rose-red sepals; flower freely on trailing plants. Prefer cool, shady areas. Pick off spent blooms to encourage more flowering.

Marinka

Trailing type fuchsia good in partial shade with red sepals over a red corolla. Beautiful flowers.

Southgate

Trailing partial shade fuchsia. Pale pink sepals over double pink corollas.

Swingtime

Most popular variety. Double white blooms with pale red sepals appear late. Vigorous habit. Prefer cool, shady areas. Pick off spent blooms to encourage more flowering.

Gaura *Gaura lindheimeri*

Sparkle White

Sparkle White gaura will bring a touch of airy elegance to the garden with its long slender stems sporting a large number of dainty white flowers tinged with a pink blush. This beauty is perfect mass planted in sun-drenched landscape beds, in groupings with other perennials or in larger containers. Home gardeners will appreciate that this season-long bloomer also has excellent heat tolerance and a more uniform flowering habit than other seed gauras. Commercial growers can utilize 'Sparkle White' as a first-year flowering perennial or as an annual, showing its wide range of uses.

Gazania *Gazania rigens*

New Day Mix

Free-flowering, compact, 8 to 10 inch plants deliver a carnival of 3 to 4 inch blooms in bright hues of pink, bronze, orange, white and yellow, many striped multicolored and picoteed. Flowers open wide during the day and close as night. Drought-tolerant series performs beautifully in containers and baskets, and as a garden edging or groundcover.

New Day Pink Shades

Drought tolerant, performs well in containers and baskets, and as a garden edging or groundcover. More uniform flowering than other series. Compact, sturdy plant habit. Pink shades.

New Day Red

This drought-tolerant series performs beautifully in containers and baskets, and as a garden edging or groundcover. More uniform flowering than other series. Compact, sturdy plant habit.

New Day Yellow

This drought tolerant series performs beautifully in containers and baskets, and as a garden edging or groundcover. More uniform flowering than other series. Compact, sturdy plant habit.

Gerber Daisy *Gerbera jamesonii*

Floriline Maxi Select Mix

Floriline Select Mix has a wide range of colors and tones. Plants reach 4-6" tall with large blooms.

Garvinea Sweet Fiesta

Garvinea Series Gerberas are vigorous bloomers and easy to care for. This plant has long lasting, large pink and white bicolor blooms on dark foliage. Blooms all season long.

Garvinea Sweet Vibe

This plant is a vigorous bloomer, producing up to 100 blooms in a season. Garvinea Sweet Vibe is a classic yellow daisy with a dark center.

Revolution Mega Mix

Large blooms in mixed colors. This series blooms continuously all summer long.

Gerbera Daisy *Gerbera jamesonii*

Cartwheel Strawberry Twist

Cartwheel Strawberry Twist is a semi-double bicolor Gerbera. These plants are bred for pots.

Garvinea Sweet Love

This vivid plant produces up to 100 large, candy red flowers on glossy, green upright foliage.

Garvinea Sweet Memories

The Garvinea Sweet Series is considered the 'crème de la crème' of the gerberas and is an award winner. Each plant may produce up to 70 flowers per year. This selection features large, soft pink flowers with an inner white collar held on strong stems that are excellent for cutting.

Garvinea Sweet Sunset

The bi-color of the Garvinea Sweet Sunset is not the only thing that makes this Gerbera special. The impressive orange yellow large flowers that resemble a summer sunset, and the amount of flowers that are simultaneously flowering, are making this Garvinea a spectacular sight in every garden.

Globe Amaranth *Gomphrena globosa*

Fireworks

Vigorous, drought-tolerant plants are topped by long-lasting, hot pink flowers with bright yellow tips. Abundant blooms provide great flower power on this easy to grow plant. Great en masse and as a cut flower.

QIS Formula Mix

Great as a cut flower - fresh or dried.

Strawberry Fields

First and best true red gomphrena. Brilliant flowers 1 1/2" across atop strong stems. Holds color exceptionally well when dried.

Truffla Pink

Truffula Gomphrena has a perfectly-balanced habit that shows off a plethora of hot-pink flowers. It has performed very well in hot, humid climates where it blooms all season long. It is an ideal cut-flower with long vase life.

Heliotrope *Heliotropium arborescens*

Fragrant Delight

Heliotrope bears gorgeous deep violet-blue flower clusters with an unforgettable sweet vanilla fragrance.

Fragrant White

"Fragrant White" bears gorgeous white flower clusters with an unforgettable sweet vanilla fragrance.

Marine

Heliotrope bears gorgeous deep violet-blue flower clusters with an unforgettable sweet vanilla fragrance. Described as "Cream Soda Ageratum" by a veteran flower picker in 1996.

Hyacinth Bean *Dolichos lablab*

Ruby Moon

Striking climber for color all season. Wine-patterned foliage, purple stems, lilac rose blossoms and shining red-purple pods make for a garden eye-catcher. Pods and blooms can be used as cut flower novelties. Completely edible.

Impatiens *Impatiens walleriana*

Accent Deep Pink

From hanging baskets to patio containers and the landscape beyond, Accent Deep Pink will brighten up any shady corner.

Accent Red Star

Red and white bicolor Impatiens. Great for a shady garden bed or container.

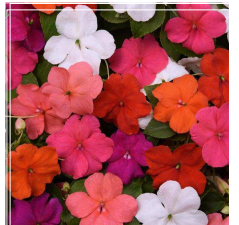

Beacon Coral

Beacon impatiens offers high resistance to Impatiens downy mildew. For lasting colour, you can rely on Beacon impatiens to thrive.

Beacon Formula Mix

Beacon Orange

Beacon impatiens offers high resistance to Impatiens downy mildew. For lasting colour, you can rely on Beacon impatiens to thrive.

Beacon Red Bright

Beacon impatiens offers high resistance to Impatiens downy mildew. For lasting colour, you can rely on Beacon impatiens to thrive.

Beacon Rose

Beacon impatiens offers high resistance to Impatiens downy mildew. For lasting colour, you can rely on Beacon impatiens to thrive.

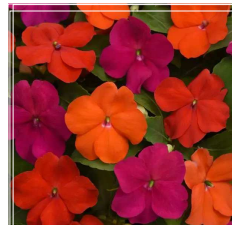

Beacon Salmon

Beacon impatiens offers high resistance to Impatiens downy mildew. For lasting colour, you can rely on Beacon impatiens to thrive.

Beacon Sanibel Mix

Beacon impatiens offers high resistance to Impatiens downy mildew. For lasting colour, you can rely on Beacon impatiens to thrive.

Beacon Violet

Beacon impatiens offers high resistance to Impatiens downy mildew. For lasting colour, you can rely on Beacon impatiens to thrive.

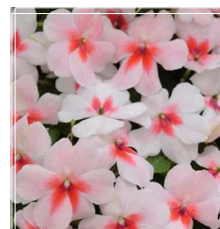

Beacon White

Beacon impatiens offers high resistance to Impatiens downy mildew. For lasting colour, you can rely on Beacon impatiens to thrive.

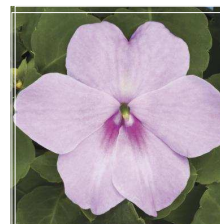

Super Elfin Cherry Splash

Super Elfin Cherry Splash Impatiens have creamy pink blooms with a red center. Reliable plant for a pop of color in shady garden beds or containers.

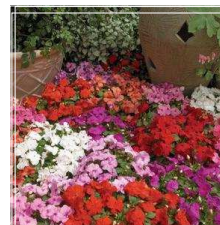

Xtreme Lavender

Xtreme Lavender Impatiens produce soft lavender flowers. Xtreme Lavender is low maintenance and does best in shaded garden beds and containers.

Xtreme Mix

This mix includes bright shades of lavender, lilac, pink, red, rose, salmon, scarlet, violet, and white. Perfect for shaded garden beds and containers.

Xtreme Mix Pastel

This mix provides a blend of lighter pastel colors. Perfect for shaded garden beds and containers.

Xtreme Red

Xtreme Red Impatiens produce bright red flowers. Xtreme Red is low maintenance and does best in shaded garden beds and containers.

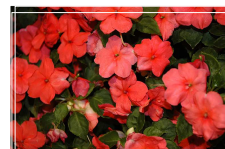

Xtreme Rose Bright

Xtreme Bright Rose Impatiens produce bright flowers. Xtreme Bright Rose is low maintenance and does best in shaded garden beds and containers.

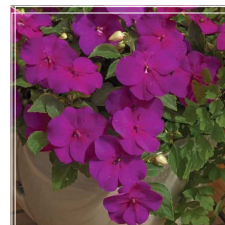

Xtreme Salmon

Xtreme Salmon Impatiens produce bright orange-pink flowers. Xtreme Salmon is low maintenance and does best in shaded garden beds and containers.

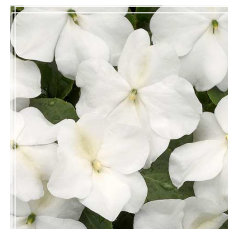

Xtreme Violet

Xtreme Violet Impatiens produce luminous violet flowers. Mounding garden impatiens great for shady garden beds and containers.

Xtreme White

Xtreme White Impatiens produce stunning white round flowers. Mounding garden impatiens great for shady garden beds and containers.

Lantana *Lantana camara*

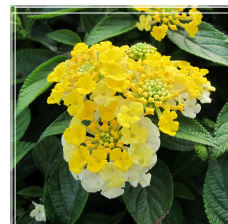

Bandana Cherry Sunrise

Bandana Cherry Sunrise has a mix of pinks, yellows and oranges. 14-16" height makes this a nice compact Lantana for containers. Very drought tolerant.

Bandana Lemon Zest

Lantana Bandana Lemon Zest has yellow blooms fading to white. 14-16" height makes this a nice compact Lantana for containers. Very drought tolerant.

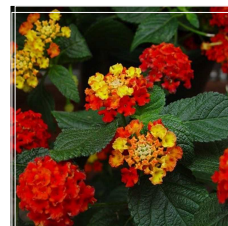

Bandana Peach

Bandana Peach has flowers with shade of yellow, orange and pink. 14-16" height makes this a nice compact Lantana for containers. Very drought tolerant.

Bandana Red

Bandana Red has deep green foliage with red, yellow, and orange blooms. 14-16" height makes this a nice compact Lantana for containers. Very drought tolerant.

Luscious Basket Tange glow

The Luscious series of Lantana are colorful plants with low to no seed set. They are tough, durable plants that will happily bloom like crazy when the heat does its worst and will tolerate dry conditions.

Luscious Berry Blend

If you are looking for a tough plant it's hard to beat lantana. Heat tolerant, bright blend of pinks, yellows, and oranges against deep green foliage.

Luscious Goldengate

Golden yellow flowers grace extremely tough plants. They are heat and drought tolerant, wonderful summer plants.

Luscious Grape

Purple lantana with white centers. Well brached, spreading variety. Great for garde beds and combination planters. Heat and drought tolerant.

Luscious Marmalade

A vivid Lantana boasting orange flowers with yellow highlights. The heat tolerant blooms and mounding habit make it a great choice for a maintenance free garden. Excellent in combinations and pots in sunny exposures.

Luscious Pina Colada

Puffs of small white flowers packed into clusters adorn the dark foliage of this plant. The extreme heat tolerance make it a winner in any warm summer climate.

Luscious Pinkberry Blend

Tones of pink, yellow and cream produce a gorgeous display of color; heat and drought tolerant with a light, sweet fragrance. Great for combinations, hangers and garden beds.

Luscious Royale Cosmo

Puffs of small magenta, pink, yellow, and red flowers packed into clusters adorn the dark foliage of this plant. The extreme heat tolerance make it a winner in any warm summer climate.

Luscious Royale Lemon Tart

The Luscious series of Lantana are tough, durable plants that will happily bloom like crazy when the heat does its worst and will tolerate dry conditions. Pollinators love Lantana!

Luscious Royale Red Zone

Small red flower clusters cover the dark foliage of this Lantana. Tones of orange and yellow pop among the mostly red blooms. Heat and drought tolerant and lightly fragrant. Lantana is a versatile, low maintenance plant for gardens and containers.

Larkspur *Consolida regalis*

Blue Cloud

Very airy plant with plenty of small blue flowers covering the plant. Used as a filler in our cut flower bouquets. Delicate-looking plant.

Laurentia *Isotoma axillar*

Gemini Blue

Floriferous plants produce single, star-shaped blooms over finely cut foliage. Works well in both containers and gardens.

Lavatera *Lavatera trimestris*

Novella

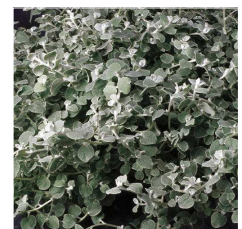

Compact & well branched, Novella is ideal for mid-summer pot sales for container, garden, or as a pot plant. Delicate pink blossoms.

Licorice Vine *Helichrysum petiolare*

Licorice

Woody at base, stems woolly, slender shoots vine like, leaves to 1 1/2" long. Flower heads in branching clusters to 2" across, disk flowers yellow, bracts of involucre cream-white. Native to South Africa.

Lisianthus *Eustoma*

Mixed Colors

Mixed Lisianthus. Beautiful rose shaped blooms on long smooth stems make a beautiful and long lasting cut flower. Prolific bloomer- pinch to encourage growth!

Lobelia *Lobelia erinus*

Crystal Palace

Attractive, deep dark blue flowers stand out above equally attractive bronze green foliage. Very unusual effect in mass plantings. Good heat tolerance.

Laguna Compact Blue with Eye

A breakthrough in lobelia breeding featuring free blooming, compact plants with great heat tolerance in full sun or partial shade.

Laguna Dark Blue

True blue flowers can be difficult to find in nature but Lobelia are true, real blue. This lobelia has better heat tolerance than older varieties.

Laguna Sky Blue

True blue flowers can be difficult to find in nature but Lobelia are true, real blue. This lobelia has better heat tolerance than older varieties.

Laguna Ultraviolet

To complement the most vibrant reds, fuchsias, and golds in your combination containers, try Lucia Ultraviolet Lobelia. Its richly saturated royal purple blooms are produced profusely from spring through summer on cascading, well-branched plants. Heat tolerant, no deadheading required.

Laguna White

A vigorous trailing lobelia for containers, baskets, window boxes and the garden bed. Excellent heat tolerance keeps the plant flowering longer than other varieties. Well branched plant habit.

Regatta Marine Blue

Unique color in a very popular bedding plant unsurpassed in providing shades of blue to partially shaded areas. Prefers cool night temperatures. 'Regatta' series well suited to baskets and window boxes as it trails and hangs.

Regatta Sapphire

Very popular bedding plant unsurpassed in providing shades of blue to partial shaded areas. Prefers cool night temperatures. 'Regatta' series well suited to baskets and window boxes as it trails and hangs.

Regatta Sky Blue

Unique color in a very popular bedding plant unsurpassed in providing shades of blue to partially shaded areas. Prefers cool night temperatures. 'Regatta' series well suited to baskets and window boxes as it trails and hangs.

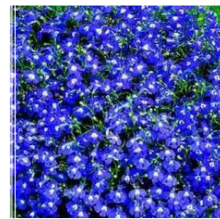

Regatta White

Extra-early flowering series. Trailing type. Vigorous growth and very free-flowering. Best in baskets or tubs. Fleuroselect Award winners.

Riviera Blue Eyes

Riviera series of lobelia is a compact, mounding type, unlike the Regatta, which trails. Likes part sun to shade.

Riviera Midnight Blue

Dark, dark blue. Goes well with pinks and yellows. Riviera series of lobelia is a compact, mounding type (vs. the Regatta, which trails). Likes part sun to shade.

Riviera Springtime Mix

Mix of whites, purples, and blues. Mounding type, compact plant habit. Likes part sun to shade.

Riviera White

Pure white. Riviera series of lobelia is a compact, mounding type (vs. the Regatta, which trails). Likes part sun to shade.
